

## JA Careers With A Purpose

Maxims, or rules of conduct, are used in the new high school program, JA Careers with a Purpose, to frame career and life decision-making. What should I do when I graduate from high school? What choices are out there? How do my skills, interests, and values match with available careers?

Through JA Careers with a Purpose, students learn to use ethical decision-making skills to make career and life decisions. They discover that their career can have a noble purpose by reviewing their values and life maxims.
