

## JA Business Week - Seriously fun business!

June 13 - 18, 2010 at Johnson & Wales University.

Check out the video on Youtube!

JA Business Week is an annual, one-of-a-kind summer program that lets high school students experience the business world, develop leadership skills and focus on the future. Students learn about business from 100 professionals throughout the week while working on an "Apprentice"-style project, and get a taste of college life by living on a university campus for the week.

For more information about the JA Business Week program, including information on how to participate, please visit the JA Business Week site. [Click here](#) to read the 2009 JA Business Week Bulletin.
