

JA Our Families[®] Resources Overview | 2018

The *JA Our Families* kit-based program introduces students to entrepreneurship and learning objectives for first-grade social studies, including families, neighborhoods, money, and needs and wants. The JA Our Families Resources course includes optional digital assets for select kit items that can be used in classrooms equipped with basic technology, such as an interactive whiteboard or a projector with screen and a laptop. Volunteer resource videos are also available within the course to assist volunteers in preparing for their sessions.

Resource Instructions for Volunteers and Teachers

Go to JA Connect, the JA learning platform, at <https://learn.ja.org>. Log in with your username and password provided to you from the local JA staff. If you don't have credentials, please contact your JA office. Select JA Our Families under My JA Courses—Resources. Under Digital Assets, select an item from the menu list.

For each digital asset, select the green title. Next, select the play button to launch. It will open in a new tab.

Volunteer Resource Videos to Prepare for the Program

Six resource videos are available, one for the program overview and one for each session. These 3–5 minute videos highlight session activities, offer classroom management tips, and complement existing training as the volunteer prepares for his or her program delivery.

Within the JA Our Families Resources course, under the Resource Videos section, select a video from the menu list. The video will begin playing automatically.
